TWO, THREE AND FOUR BEDROOM HOMES WILL APPEAL TO THE MOST DISCERNING BUYERS.

Located at the masterplanned Pavilion precinct, the townhomes sit within a leafy streetscape. Enjoy easy access to Casey Fields and Shopping on Clyde. Take advantage of a variety local education services for all ages.

Our design team has crafted homes defined by a clever use of space and enhanced by beautiful materials and finishes. The homes are oriented to optimise natural light and views of the surrounding greenery as it changes from season to season.

Beautifully appointed kitchens inspire the household chef with every detail, and generous storage, thoughtfully considered. An optional upgrade further enhances the space with a 900mm gas cooktop, electric oven and fully concealed rangehood. A tinted glass splashback, integrated dishwasher and under-mounted stainless steel sink ensure the kitchens are uncluttered and highly functional spaces.

Choose from two colour schemes. The dark materials provide a subtle and sophisticated finish, while the lighter hues create a contemporary and Scandinavian-inspired aesthetic.

Large mirrors and set piece tiles are enhanced with the upgraded bathroom package offering elevated luxe through a feature wall of mosaic tiles and beautiful gunmetal tap ware.

ARCADIA BUILT IS SETTING THE STANDARD FOR MEDIUM DENSITY DEVELOPMENTS IN URBAN GROWTH AREAS.

Recognising the important role these homes play in contributing to the urban environment, we focus on using high quality, contemporary materials. We also carefully design both the exteriors and interiors to ensure each home not only looks great, but also functions well.

Elements such as articulated roofs, timber highlights, lock-up garages, private outdoor spaces, open plan living areas, and well appointed kitchens and bathrooms work together to form the DNA of Arcadia's architecture. We believe in sustainable construction that not only contributes positively to the environment, but also creates a home that is affordable to run and comfortable to live in all year round.

In 2015, Arcadia Built was recognised with a UDIA Award for Excellence in the 'Affordable Housing' category and in 2016 won the 'Judges Award' for the Saratoga Townhouses in Point Cook.
